METALWORKS
METĀLA FURNITŪRAS RŪPNĪCA

MFR Metalwork is a Latvian company, manufacturer of wide range of steel products in mild steel, stainless steel and aluminium for commercial, industrial and other use. We provide extensive in-house processing services including steel and plastic casting, metal stamping, electroplating, automatic metal turnery and milling.

The company was formed in 1960, and is the Baltic's only manufacturer of door locks, construction bindings, furniture locks, hinges and door & window fittings. MFR Metalwork provides standard and custom made fasteners and brackets for civil engineering, forged pieces for gates, fences, balconies and staircases as well as fabricated metal products and complementary parts for other industries.
